## Quigley 4x4 TERMS AND CONDITIONS

Quigley Motors does not offer nor does it honor any form of extended warranties.

### **Weights**

The listed weights are added to each vehicle during the 4x4 installation in turn reducing the cargo capacity by the stated weights. The weights listed per vehicle are an average only. The actual weights and distribution of weights will vary depending on the type of vehicle ordered and the equipment ordered/applied on such vehicle.

### **\*Restrictions**

ALL vehicles UNDER 8600-lb GVWR CANNOT be converted due to weight and axle limitations.

The G-33706 model equipped with the 6.6L Duramax diesel engine CANNOT be converted to 4 wheel drive due to insufficient weight reserve, unless ordered as a 15 passenger then converted and certified to 12 passenger with the front bench seat and seat belts removed. Any seat removal, required to meet weight analysis will be a \$150.00 charge. Neither seat NOR hardware will be returned.

For DRW conversions all vans must be equipped with side swing-out doors. Slider doors cannot open with the wider rear fenders and wheels. DRW conversions are for the G-3500 series regular and extended length CARGO vans ONLY.

### **Transfer Case**

Due to electronic signal variations in the computer modules between the G-Vans and K- Series Trucks; when the 2 speed, manual shift, transfer case is engaged in 4 wheel low (4L), the speedometer will read faster than the actual vehicle speed. DO NOT exceed a speedometer reading of 80 miles per hour while in low range.
